

RULES OF PARTICIPATION FOR THE 3 DAYS OF AIGLE EVENTS 2026

1. REGISTRATION

1.1. Registration

To be recorded, registrations must be made via the online platform available on the website www.3joursdaigle.ch.

1.2. Validation

Registrations are validated only after payment of the fees related to participation in the 3 Days of Aigle (registration fees, accommodation fees, meal fees).

1.3. Registration fees

Registration fees amount to CHF 50.-, or 50 euros, per athlete, and are the same whether the athlete starts one or several races during the 3 Days of Aigle.

1.4. Meals

Vouchers for lunch and dinner can be reserved at preferential prices at the time of registration. If meals are not reserved at the time of registration, it will no longer be possible to obtain the preferential price.

1.5. Accommodation

At the time of registration, athletes in the U17 and U19 categories have the option of being accommodated by the organisation during the 3 Days of Aigle at a price of CHF 50.- or 50 euros.

Athletes in the elite categories must arrange their own accommodation.

1.6. Companion

At the time of registration, athletes in the U17 and U19 categories have the option of registering a companion who can be accommodated during the 3 Days of Aigle together with the athletes. The accommodation organised for companions is charged at 75.- or euro per night.

2. PARTICIPATION

2.1. *Elite Men category*

Madison pairs must include at least one U23 athlete.

A maximum of 15 teams are accepted at the start. A maximum of 2 per nation, except for Switzerland, which may have 3.

In order to fairly distribute participation in the individual races, each madison team receives 1 place per individual event. The remaining places, up to the maximum number of participants allowed on a 200m track, are allocated among individual entries or on-site among interested teams.

Changes must be announced no later than 2 hours before the start of each race, failing which they may be refused.

UCI regulations apply to all races in the Elite Men category.

2.2. *Elite Women category*

A maximum of 15 teams is accepted at the start. A maximum of 2 per nation, except for Switzerland, which may have 3.

In order to fairly distribute participation in the individual races, each madison team receives 1 place per individual event. The remaining places, up to the maximum number of female participants allowed on a 200m track, are allocated among individual entries or on-site among interested teams.

Changes must be announced no later than 2 hours before the start of each race, failing which they may be refused.

UCI regulations apply to all races in the Elite Women category.

2.3. *U19 Men category*

A maximum of 15 teams is accepted at the start.

The gear ratio is limited to 57x15 or equivalent.

UCI regulations apply to all races in the U19 Men category.

2.4. U17 Men category

A maximum of 15 teams is accepted at the start.

The gear ratio is limited to 49x15 or equivalent.

UCI regulations apply to all races in the U17 Men category.

Wheels used must have at least 12 spokes and a maximum rim profile of 60mm.

2.5. U19 Women category

A maximum of 15 teams is accepted at the start.

The gear ratio is limited to 49x15 or equivalent.

In the event of insufficient participation in the U19 and U17 Women categories, the organisation reserves the right to combine the two categories in order to have a sufficiently large peloton. If the two categories are combined, a prize will be awarded to the first madison team made up of two U17 athletes.

UCI regulations apply to all races in the U19 Women category.

Wheels used must have at least 12 spokes and a maximum rim profile of 60mm.

2.6. U17 Women category

A maximum of 15 teams is accepted at the start.

The gear ratio is limited to 49x15 or equivalent.

In the event of insufficient participation in the U19 and U17 Women categories, the organisation reserves the right to combine the two categories in order to have a sufficiently large peloton. If the two categories are combined, a prize will be awarded to the first madison team made up of two U17 athletes.

UCI regulations apply to all races in the U17 Women category.

Wheels used must have at least 12 spokes and a maximum rim profile of 60mm.

Any objections to the results must be lodged on the same day, by the end of the evening at the latest, and apply to all categories, including both elite and junior, men's and women's.
